That's What Friends Are For...

And I, never thought I'd feel this way,
And as for as I'm concerned, I'm glad I
got the chance to say.

That I do believe I love you
And if I should ever go away

Well then close your eyes and try to feel
the way we do today, and then if you
can remember.

Keep smiling, keep shining
Knowing you can always count on me
For Sure

That's what friends are for
For good times, and bad times,
I'll be on your side forever more,
That's what friends are for.

Well you come and opened me,
And now there's so much more I see,
And so by the way I thank you,
Oh, and then, for the times when we were apart
Well then close your eyes and all
the words are coming from my heart,
And then if you can remember.

Oh, keep smiling, keep shining,
Knowing you can always count on me

For Sure
That's what friends are for
In good times, in bad times
I'll be on your side forever more,
Oh, That's what friends are for

Oh, keep smiling, keep shining,
knowing you can always count on me,
For Sure
That's what friends are for.
For good times, and bad times
I'll be on your side forevermore,
That's what friends are for.

Keep smiling, keep shining
Knowing you can always count on me
For Sure
Cause I'll tell you,
That's what friends are for.
For good times, and for bad times
I'll be on your side forever more,
that's what friends are for.

Are made for sure,
I do mean for sure,
I do mean for sure,
That's What Friends Are For!

In Memoriam

A TRIBUTE TO ROBERT THARPE

On May 22, 1986, the senior class suffered the tragic loss of a truly outstanding, courageous, and compassionate classmate and friend, Robert M. Tharpe.

Bob was a soft spoken, yet determined young man who touched the hearts of many with his sense of humor, his strength, and his many unselfish acts of kindness.

At school, Bob studied welding; at home, he enjoyed watching all sports, especially the Celtics. In his spare time he coached a little league team. Bob also enjoyed the music of Bruce Springsteen and most of all he loved the company of his family and friends.

For all who knew and loved Bob, his death will be a fearful burden; yet his memory will stay alive in our hearts forever.

Terry Nicholson

Robert Tharpe

FROM TIME TO TIME . . . MY FRIEND

Like o summer rose, beneath o winter snow
I've seen your precious beauty, as I watched you grow
And no artist in this world
with imagination bold and wild
Could create the symphony of happiness
I've found within your smile

You've shared with me your laughter
You've told me of your fears
And in my darkest moments
You wiped away my tears

So though, my friend, those times are gone
or maybe it just seems
But we've got the chance to reach out for
and capture all those dreams

Take with you our memories
Fly so high and proud
and from time to time
reflect upon
Those dreams to which we vowed

Then you'll hear my laughter
it will conquer all your fears
And in your darkest moments
it will wipe away your tears

For time can not erase
precious moments such as those
And even winter snow
Cannot change o precious rose

Superintendent's Message

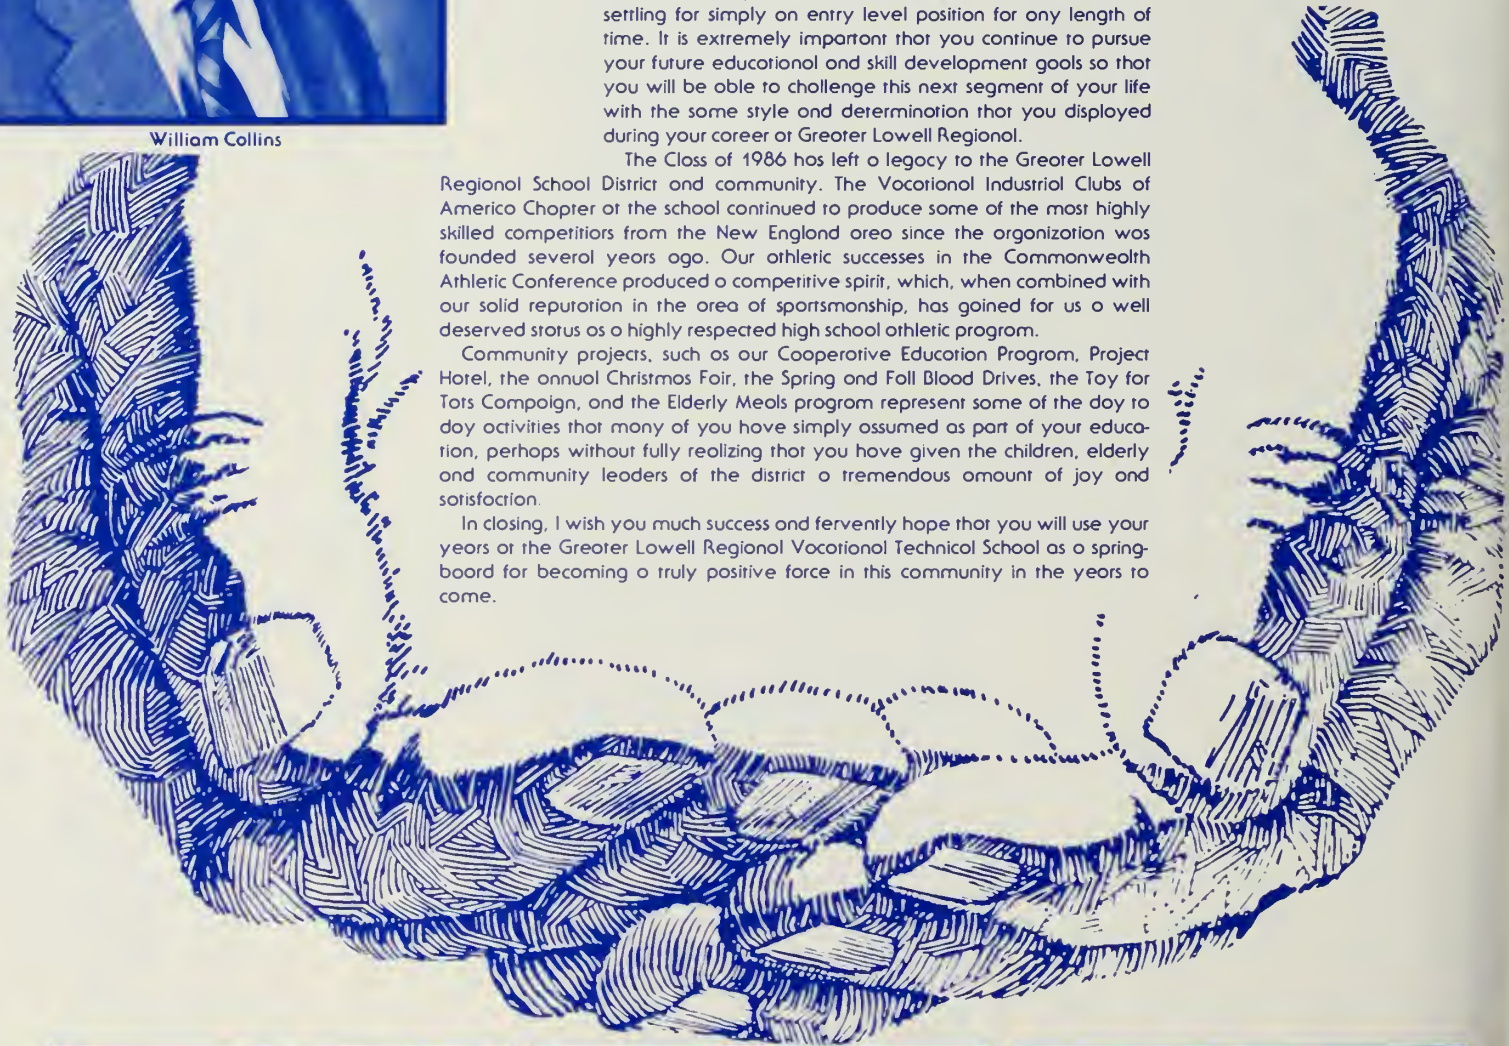

Congratulations to the graduates of the Class of 1986. You should be both proud and grateful, as you now enter a new segment of your life — a segment for which you are hopefully well prepared following your four years at Greater Lowell Regional. Proud because of the achievements and contributions that you, individually and as a class, have made to the community, school and most importantly, to each other. Grateful for the technical and vocational skills that you have gained and will always possess.

Although there are employment opportunities available in the Greater Lowell area, be mindful of the fact that you must not allow your personal and technical skills to deteriorate by settling for simply an entry level position for any length of time. It is extremely important that you continue to pursue your future educational and skill development goals so that you will be able to challenge this next segment of your life with the same style and determination that you displayed during your career at Greater Lowell Regional.

The Class of 1986 has left a legacy to the Greater Lowell Regional School District and community. The Vocational Industrial Clubs of America Chapter at the school continued to produce some of the most highly skilled competitors from the New England area since the organization was founded several years ago. Our athletic successes in the Commonwealth Athletic Conference produced a competitive spirit, which, when combined with our solid reputation in the area of sportsmanship, has gained for us a well deserved status as a highly respected high school athletic program.

Community projects, such as our Cooperative Education Program, Project Hotel, the annual Christmas Fair, the Spring and Fall Blood Drives, the Toy for Tots Campaign, and the Elderly Meals program represent some of the day to day activities that many of you have simply assumed as part of your education, perhaps without fully realizing that you have given the children, elderly and community leaders of the district a tremendous amount of joy and satisfaction.

In closing, I wish you much success and fervently hope that you will use your years at the Greater Lowell Regional Vocational Technical School as a springboard for becoming a truly positive force in this community in the years to come.

Meet my prom date!

Raise you arm if you're Sure!

These are my typing fingers!

It only took us three years to finish our project!

I was framed!

No food should enter this dining room!

Saying Goodbye

And if I should ever go away,
Well then close your eyes and try to feel
the way we do today,
And then if you can remember . . .
That's what friends are for . . .

JEANNE D'ARC CREDIT UNION

CONGRATULATES

THE 1986 GRADUATES OF THE G.L.R.V.T.H.S.

As one of the oldest credit unions in the Country, we are proud of our humble beginnings in the basement of St. Jean Baptiste Church where, some seventy-five years ago, we encouraged school children to save their pennies. Jeanne D'Arc Credit Union, sometimes referred to as "The Little Bank Around the Corner," now occupies modern facilities just a stone's throw away and some of these same children are still with us. They, their children and their grandchildren have helped us grow into a \$70,000,000. banking institution serving all residents of Greater Lowell. Our friendly, courteous staff strive to serve our customers as individuals and not as numbers. We invite you to come in and see us or at least call us about our high savings and favorable loan rates.

Special thanks to two of the greatest seniors I've ever had, Michelle Bourrassa and Donna Lehouillier. Without their help I would probably be a candidate for "teacher burnout." And remember Joshua, "Mommy made it."

Thanks also to Arthur Ouellette for his assistance in camera work and for helping my helpers. Have a great retirement, you will surely be missed.

Congratulations and Best Wishes to the Class of '86!

That's What Friends Are For...

And I, never thought I'd feel this way.
And as for as I'm concerned, I'm glad I
got the chance to say,

That I do believe I love you
And If I should ever go away

We'll then close your eyes and try to feel
the way we do today, and then if you
can remember.

Keep smiling, keep shining
Knowing you can always count on me
For Sure

That's what friends are for
For good times, and bad times.

I'll be on your side forever more,
That's what friends are for.

We'll you come and opened me,
And now there's so much more I see.

And so by the way I thank you.
Oh, and then, for the times when we were apart
We'll then close your eyes and all
the words are coming from my heart.
And then if you can remember.

Oh, keep smiling, keep shining.
Knowing you can always count on me

For Sure
That's what friends are for
In good times, in bad times
I'll be on your side forever more.
Oh, That's what friends are for

Oh, keep smiling, keep shining.
knowing you can always count on me.
For Sure

That's what friends are for.
For good times, and bad times
I'll be on your side forevermore,
That's what friends are for.

Keep smiling, keep shining
Knowing you can always count on me
For Sure

Cause I'll tell you,
That's what friends are for.
For good times, and for bad times
I'll be on your side forever more,
that's what friends are for.

Are made for sure.
I do mean for sure.
I do mean for sure.
That's What Friends Are For!
